

Call For Innovators

Do You Have A New Business Idea That You Would Like To Develop?

Target Group

This Call for Innovators is targeting **idea-stage** entrepreneurs with new, innovative and scalable business ideas in the **Southern Region**. Applicants **cannot** apply for support for an existing business.

Preference will be given to **female** applicants. Eligible applicants include students, recent graduates, aspiring entrepreneurs, or existing entrepreneurs developing a new business idea.

The business idea should be in one of the following sectors:

- **Woodwork**
- **Metalwork**
- **Integrated technologies in the above two business sectors.**

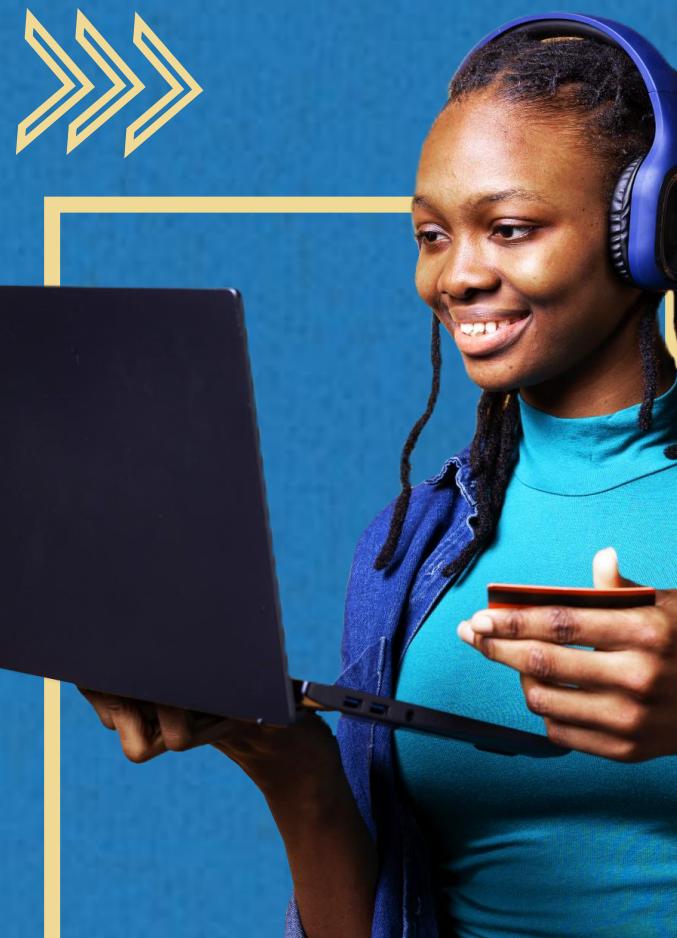

Interested applicants should be aged between 18-35 years and be committed to participate in the incubation programme for a minimum of **6 months**. Please read the full Eligibility Criteria found [here](#).

The Full Incubation Programme

The full incubation programme is designed to support idea-stage entrepreneurs to establish their businesses. It provides curriculum-based group learning and targeted one-on-one support to help participants validate their business ideas and build a strong foundation for sustainability.

Please read the full Frequently Asked Questions (FAQ) found [here](#).

In partnership with Zantchito Entrepreneurship, the MUBAS Business Incubation Centre invites interested idea-stage entrepreneurs to apply for business incubation support under its full incubation programme

Application Process

Apply by filling an application form online [here](#) or collect the application form from the MUBAS Incubation Centre at Trade Fair grounds and send a hard copy or scanned copy through incubationmanager@mubas.ac.mw

Application Deadline: 22nd February 2026

For more information contact: **0998245635** or incubationmanager@mubas.ac.mw
