

Call For Innovators

Do You Have A New Business Idea That You Would Like To Develop?

Target Group

This Call for Innovators is targeting **idea-stage** entrepreneurs with new, innovative and scalable business ideas in the **Southern Region**. Applicants **cannot** apply for support for an existing business.

Preference will be given to **female** applicants. Eligible applicants include students, recent graduates, aspiring entrepreneurs, or existing entrepreneurs developing a new business idea.

The business idea should be in one of the following sectors:

- **Agri-processing and value addition**
- **Woodwork**
- **Metalwork**
- **Integrated technologies in the above three business sectors.**

Interested applicants should be aged between 18-35 years and be committed to participate in the incubation programme for at least **6 months**. Please read the full Eligibility Criteria found [here](#).

The Full Incubation Programme

The full incubation programme is a 6-month programme designed to support idea-stage entrepreneurs to establish their businesses. It provides curriculum-based group learning and targeted one-on-one support to help participants validate their business ideas and build a strong foundation for sustainability.

Please read the full Frequently Asked Questions (FAQ) found [here](#).
