

Do you have an **Innovative** Scalable Business Idea?

In partnership with Zantchito Entrepreneurship and Access to Finance, The Malawi University of Business and Applied Sciences (MUBAS) Business Incubation Centre, in Blantyre, invites interested Ideas-Stage Entrepreneurs to submit viable and scalable innovative business idea(s) and stand a chance for a business incubation support opportunity

Target Group

The call is targeting Technical, Entrepreneurial and Vocational Education and Training (TEVET) graduates and other University graduates that have a business idea from any sector within the Malawi 2063 Agenda pillars. The interested applicants should be aged between 18-35 years and be committed to participate in incubation for at least 6 months.

The Incubation Programme

Successful applicants stand the chance to access pre-incubation, incubation and post-incubation support. The services may include idea testing, development of prototypes, business coaching, buyer linkages, financial skills management, business mentorship, marketing strategy, standards, and product certification.

Application Process

Interested Idea-Stage Entrepreneurs should follow the application process below:

1. Complete the Expression of Interest Form.
2. If invited, complete the Application Form.
3. Submit the completed Application Form.

Access to the Expression of Interest Form
